## TWENTY-FIRST SUNDAY IN ORDINARY TIME: AUGUST 26, 2018 CELEBRATING THE YEAR OF MINISTRY

### Jesus: the Bread of Life

Reflections by Pope Francis

In life, we constantly need to be fed: nourished not only with food, but also with plans and affection, hopes and desires. We hunger to be loved. But the most pleasing compliments, the finest gifts and the most advanced technologies are not enough; they never completely satisfy us.

“The Eucharist is simple food, like bread, yet it is the only food that satisfies, for there is no greater love. There we encounter Jesus really; we share his life and we feel his love.

Let us choose this food of life! Let us make Mass our priority! Let us rediscover Eucharistic adoration in our communities! Let us implore the grace to hunger for God, with an insatiable desire to receive what he has prepared for us.

Jesus prepares a place for us here below, because the Eucharist is the beating heart of the Church. It gives her birth and rebirth; it gathers her together and gives her strength. But the Eucharist also prepares for us a place on high, in eternity, for it is the Bread of heaven.

The Eucharist is our ‘reservation for the heavenly banquet. It is Jesus himself, as food for our journey towards eternal life and happiness. He looks for places untouched by love, untouched by hope...”

Everyone knows people who are lonely, troubled, or in need: “they are abandoned tabernacles,” Those who receive Jesus in the Eucharist, “are here to prepare a place and a meal for these, our brothers and sisters in need.”

“Jesus became bread broken for our sake; in turn, Jesus asks us to give ourselves to others, to live no longer for ourselves but for one another. In this way, we live “*eucharistically*,” pouring out upon the world the love we draw from the Lord’s flesh.

The Eucharist is not a beautiful rite, but it is the most intimate, the most concrete, the most surprising communion that one can imagine with God: a communion of love so real that it takes on the form of eating the Bread of life.

The Christian life begins again at each Mass, “where God satiates us with love. Without Jesus, the Bread of Life, every effort of the Church is vain,... works of charity are not enough, unless those works are done with charity. Christian life “must be invested in Jesus and spent for others, go out, regardless of the problems and uncertainties. We are all called, in whatever situation we find ourselves, to be bearers of paschal hope” and to be “servants of the world, but resurrected, not employed; without ever complaining, without ever resigning ourselves. It’s beautiful to be couriers of hope, simple and joyful distributors of the Easter alleluia.”
