If you would like to be part this picture directory and have your family included in the St. Ann Parish Picture Directory, Please fill the form at the entrance. **ShareLife 2019**

**Living the Gospel by supporting youth ministry in our parishes.** What difference does training make for youth ministers? Consider that the 40+ youth ministers in the Archdiocese of Toronto collectively impact thousands of youth and their families. The Office of Catholic Youth (OCY), funded by ShareLife, visits parishes, equips youth ministers, and facilitates networking—including an archdiocesan training day attended by 200 youth ministers and volunteers. OCY helps ensure a vibrant church for future generations.

**June 2 is the next ShareLife Sunday.**

**Please give generously.**

**Care for Creation – May, 2019**

As we celebrate the year of Care for Creation, the month of May is dedicated to Women. We invite you to pray and support women in our families, church and society.

The month of May is also dedicated to praying the Rosary in honor of Mary, our Mother. In a special way we ask the Intercession of Mother Mary to care for all women and protect all families. Let us continue to support all women who play a motherly role in our life so they are appreciated and loved. We use the image of the Legend of the Pelican (taken from our Stained-glass window), representing the sacrifice of all women in the families and community.

We also pray for the Holy Mother Church, that, as the Church community, we may promote sacredness and provide safety and care for all people of God.

**St. Ann's Resettlement Committee's Giving Campaign**

We are pleased that our Syrian family is doing very well. The parents are taking ESL classes and the children are in school. We look forward to introducing you to the family later this spring.

**Gift Cards:** Thank you to everyone who has donated gift cards, they do make a substantial difference to our family's welfare. We will continue to collect cards for grocery stores, discount fashion stores, drug stores and ones that sell household items on the last Sunday of every month. If you wish to contribute to this program, the next donation day will be **next Sunday, May 26, 2019**, during the regular collection.

**Committee Volunteer:** If you would like to become a committee volunteer you are welcome to attend our meetings which are usually held on the third Sunday of the month after 10:30 a.m. mass. If you wish to be a committee volunteer please contact Theresa at **416-700-3358** or [theresa.spohn@icloud.com](mailto:theresa.spohn@icloud.com). As always your generosity and prayers are greatly appreciated.

**FIFTH SUNDAY OF EASTER: MAY 19, 2019**  
**CELEBRATING THE YEAR OF CARE FOR CREATION**

**Earth Day**

**Reflections and Resources from Holy Cross International Justice Office.**

**1. Learn more about climate change.**

In *Laudato Si'*, Pope Francis reminds us that we have a responsibility to care for the Earth—our common home. Take time to read and reflect on it, share it, and implement its suggestions in your community.

**2. Advocate for our Earth and its people.**

Ask Congress to protect people most harmed by climate change. You can be an advocate for those who often are not heard, by asking your senators and representative to support funding for poverty-focused international assistance, particularly the Green Climate Fund, and full implementation of the Paris Climate Change Accord.

**3. Plant a tree in your community.**

God calls us to be stewards of the Earth. What you do in your community can have a big impact on the world. Trees clean the air and provide oxygen. They help us prevent soil erosion and can conserve energy. They are also beautiful. Organize your own tree planting or network with: [www.arboday.org](http://www.arboday.org); [www.rainforesttrust.org](http://www.rainforesttrust.org)

**4. Support farmers and their families.**

Farming projects help hundreds of thousands of people feed their families, work toward self-sufficiency and steward the Earth's resources for future generations. By giving a bag of fertilizer, for instance, you are helping farmers nourish soil, reap better harvest

**5. Pray.**

Pope Francis advocates greater stewardship of global resources as one way to help our most vulnerable sisters and brothers. Please join in prayer for those who suffer the most from environmental disasters. Watch this video from Catholic social teaching on caring for God's creation.

**6. Attend a farmers' market.**

See the colors of a bountiful harvest at your local farmers' market. These stands offer locally grown produce that's nearly as fresh as picking it yourself. By supporting local farmers' markets, you are also supporting your neighbors. Find a farmers' market near you. Try your own green thumb in growing vegetables and herbs, share with others.

**7. Support fair trade.**

This Earth Day you may want to get some dirt between your fingers and plant. When you support fair trade, you are supporting artisans around the world with fair wages and better access to markets.

**8. Educate yourself and others.**

Develop "fun-facts" about trees in your community and their significance and share your findings through newsletters, bulletins, social media, or lessons. Discover the trees in your own backyard, nearby parks, neighborhood, college campus, or school yard ~ can you identify them? Enjoy the art of trees: photos, pictures, songs, poetry....

**9. Fund-raise**

You can provide direct assistance by setting up a page to raise money to support our emergency efforts. Your support will ensure that we can provide immediate assistance, including food, water, access to sanitation, legal services and medical care. Set up your own fundraising page.

**10. Be the change.**

You can join CRS University and the I Am Climate Change campaign in making a difference this Earth Day.
