# THIRTIETH SUNDAY IN ORDINARY TIME: OCTOBER 27, 2019

## CELEBRATING THE YEAR OF CARE FOR CREATION

### Pope Francis' speech at WYD 2019 opening ceremony

Dear Young People,

How good it is to get together again, this time in a land that receives us with such radiance and warmth! As we gather in Panama, World Youth Day is once more a celebration of joy and hope for the whole Church and, for the world, a witness of faith.

I remember that in Krakow several people asked me if I was going to be in Panama, and I told them: "I don't know, but certainly Peter will be there. Peter is going to be there". Today I am happy to say to you: Peter is with you, to celebrate and renew you in faith and hope. Peter and the Church walk with you, and we want to tell you *not to be afraid, to go forward with the same fresh energy and restlessness that helps make us happier and more available, better witnesses to the Gospel*. To go forward, not to create a parallel Church that would be more "fun" or "cool" thanks to a fancy youth event, as if that were all you needed or wanted. That way of thinking would not respect either you or everything that the Spirit is saying through you.

Not at all! With you, we want to rediscover and reawaken the Church's constant freshness and youth, opening ourselves to a new Pentecost (cf. Synod on Young People, Final Document, 60). As we experienced at the Synod, this can only happen if, by our listening and sharing, we encourage each other to keep walking and to bear witness by proclaiming the Lord through service to our brothers and sisters, and concrete service at that...

We come from different cultures and peoples, we speak different languages and we wear different clothes. Each of our peoples has had a different history and lived through different situations. We are different in so many ways! But none of it has stopped us from meeting one another and rejoicing to be together. The reason for this, we know, is that something unites us. Someone is a brother to us. You, dear friends, have made many sacrifices to be able to meet one another and in this way you have become true teachers and builders of the culture of encounter. By your actions and your approach, your way of looking at things, your desires and above all your sensitivity, you discredit and defuse the kind of talk that is intent on sowing division, on excluding or rejecting those who are not "like us". It is because you have that instinct which knows intuitively that *"true love does not eliminate legitimate differences, but harmonizes them in a superior unity"* (Benedict XVI, Homily, 25 January 2006). On the other hand, we know that the father of lies prefers people who are divided and quarrelling to people who have learned to work together...
