Children's Liturgy

We have begun the children's liturgy for the kids from Kinder Garden to grade 3. It is an opportunity for

the children to learn about faith in their way and in a kid-friendly way. So I encourage all the parents to bring their children and encourage them to participate in the children's liturgy, every Sunday at 10.30 a.m.Mass.

Altar Servers

Serving at the altar is a wonderful way for young people to participate in the Eucharistic celebrations. It allows them to experience

closeness as they continue to contribute to the smooth flow of the liturgy. So, we invite the parents to encourage your children who are in

grade 4 or above to volunteer as altar servers. Training will be provided.

First Friday Adoration

We will have a slight change in the first Friday adorations. It will be active praise and worship rather than reflective and silent. The rest of the Fridays for now will continue as it is. Oct 04th at 6 p.m. will be the

first upcoming adoration, praise, and worship.

4. Fortitude
5. Knowledge
6. Piety
7. Fear of the Lord

Question for this week (6): What are the Fruits of the Holy Spirit?

World Mission Sunday

Today is World Mission Sunday. You might have received a special envelope for the Evangelization of the Nations. This is a worldwide collection for the missionary church, and it is our opportunity to assist at-need Catholic communities globally. Offerings are

29th Sunday in Ordinary time: October 23, 2022

combined with offerings from other Catholics around the world and distributed to missions and dioceses. We are called to share our abundance with those less fortunate who lack the essentials to know, love, and praise God. Thank you for your support of this important work.

Lay Pastoral Visitors Training

The next Lay Pastoral Visitors Training will be offered online on Thursdays, November 3, 10, 17, 24, December 1, and 8, from 7 to 8:30 p.m. This program will prepare you to provide pastoral visits and bring Holy Communion to the sick, elderly, and homebound of our parish communities who are unable to attend Mass. New and seasoned volunteers are welcome to attend. Registrants are required to participate in all online sessions and complete pre-homework to receive full training. There is no cost to attend but registration is required (space is limited). This program is offered by the Office of Formation for Discipleship and Saint Monica Institute. REGISTER by November 1, 2022.

Green Corner

World Information Development Day, Oct 24th

Pope Francis writes: *"Efforts to promote sustainable use of natural resources are not a waste of money, but rather an investment capable of providing other economic benefits. ... we can see that more diversified and innovative forms of production which impact less on the environment*

can prove very profitable. It is a matter of openness to different possibilities which do not involve stifling human creativity and its ideals of progress, but rather directing that energy along new channels."LS# 191

In a world where so much divides us, World Mission Sunday rejoices in our unity as missionaries through our Baptism, as it offers each one of us an opportunity to support the life-giving presence of the Church among the poor and marginalized. How can I help to make life sustainable, end extreme poverty, fight inequality, and lessen the effects of climate change?

Here are some ideas that will have an impact on our Common Home:

- ❖ Do a bit of online research and buy only from companies that you know have sustainable
- ❖ practices and don't harm the environment.
- ❖ Use a power bar to plug in electronic devices and turn them off when they are not in use.
- ❖ Taking a short shower use less water than taking a bath.
- ❖ Avoid pre-heating the oven. Unless you need a precise baking temperature, start heating
- ❖ your food right when you turn on the oven.
- ❖ Plug air leaks in windows and doors to increase energy efficiency.
- ❖ Turn out the lights when leaving the room, Last Out Lights Out!
- ❖ Ride a bike, take public transit, and carpool!

Sunday Funny

A teacher asked her students to use the word "beans" in a sentence. "My father grows beans," said one girl. "My mother cooks beans," said a boy. A third student spoke up, "We are all human beans."
