13th Sunday in Ordinary Time

In today's first reading we hear of a wealthy woman who would stop and provide a meal to the prophet Elisha whenever she saw him walking by. This woman used her

gifts and possessions to serve others. This should serve as a model of stewardship for all of us.

The woman in the reading is described to be wealthy, so she was able to give from her material wealth to support the prophet. However, while we may not have the same material wealth as this woman, we all possess the wealth of our time. As stewards we should reflect on how we can use our time to serve Christ and the church. Perhaps one way is by offering our time to help with various ministries that take place over the summer months at the parish.

The reading tells us that for her generosity, the woman was prophesized to soon bear her first child. We too as stewards can look forward to the reward of our labours. We will receive the gift of joy in this life as we work towards the ultimate reward of eternal union with God in heaven.

14th Sunday in Ordinary Time

The readings today remind us of an important characteristic of Christ which all Christians should strive to nurture: **humility**. Jesus holds this virtue in high regard as we see him praying to the Father in thanksgiving for revealing himself not to those who are proud and learned, but to the weak and humble.

Humility bears great importance in the Christian life because a person without humility is prideful, and a person who is proud relies more on oneself than on God. Pride closes oneself to God, as a greater reliance on oneself or one's abilities turns a person to believe

13th & 14th Sunday in Ordinary Time: June 28 & July 5, 2026

that they don't need God in their life. On the contrary, child-like simplicity understands that everything they have is a gift from the Lord. They are aware that they are simply stewards of God's gifts which has been bestowed on them and must rely on God who is greater and wiser than them for all that they need. Only the humble can see that they need the Lord, and in humility ask the Lord to help them carry those burdens.

When we carry our yolk of burdens out of love for Christ, our burdens become light. Only Jesus can lift the burdens we carry, but He can only do that if we humbly go to Him and ask for His help. As He lifts our burdens, He frees us so that we can through the work of stewardship, bring others who are also carrying heavy burdens to Christ. If we are carrying burdens and haven't brought them before the Lord, let us ask for the humility to do so. Let us also in a special way pray for someone we know who is carrying a heavy burden, that they have the courage to go to the Lord and have their burden made light.
